The Legal Occupier

To the Legal Occupier,

**Our Enforcement Officers could now visit you during the evening or at weekends**

We have written to you before to say that we have no record of a TV Licence at this address. To date, we have still not received a response from you.

Our Enforcement Officers are planning to visit your area soon, and they may call on you at any time during the day, **including evenings and weekends.**

**We will take action if we find you are using TV equipment to watch or record television programme services and are evading the payment of your TV Licence. A colour licence currently costs £131.50. Call 0870 241 7204 now to avoid prosecution and a fine of up to £1,000.**

Please ignore this notice if you have recently purchased a licence.

If you do not watch TV, please accept my apologies for any inconvenience caused. Please write to us at the above address, stating that you do not use a TV, and we will contact you shortly.

**Remember, the longer you watch TV without a licence, the more likely it is an Enforcement Officer will call.**

Yours faithfully,

Richard Goodbody  
TV Licensing Enforcement Manager

**Please see reverse for important TV Licensing information, including exclusions and how to pay.**

**A TV Licence currently costs £131.50 for a colour licence and £44 for a black and white.**
